**What Easter Brings ~
A Message**

What good does a second chance do us if we don't have anything to share? Last week we saw that we have been given a second chance, and along with that we have been given a task. This week we see the message that is meant to go along with that task!

A Closing Thought

The method is simple
The message is simple
Matthew 28:6 (ESV)—He is not here, _____, as he said. Come, see the place where he lay.

We celebrate Easter as a time of renewal and rejoicing, and we should. However, Easter must be far more than a celebration that arises from a sense of renewal due to Spring. It must be more than candy, new clothes and bunnies. None of those has anything to do with the true message of Easter.

Over the past few weeks we have seen that Easter brings us forgiveness. As a result of that forgiveness, we have also received reconciliation (restoration of a pre-existing friendship). Through that reconciliation we are given a second chance, and promoted to ambassador of the King of kings to a lost world.

Thankfully, we have also been given a message that we are to deliver!
