A Sacrificial Church

Romans 12:1-13

Teamwork requires a willingness to sacrifice. However, true sacrifice will only come as are willing to be transformed, as we are willing to serve, and as we seek to genuinely love others. We, as a church, will only become properly focused as we seek to become a people who live their lives as a sacrifice to Jesus.

Sacrifice Requires Transformation

Sacrifice doesn't come naturally...

As we live— _____

Reject conformity— _____

Seek transformation— _____

Sacrifice Requires Service

You aren't sacrificing unless you're serving...

We serve from grace— _____

We serve from faith— _____

Sacrifice Requires Love

You won't sacrifice until you love someone...

Love must:

◇ Be genuine— _____

◇ Seek the benefit of others— _____

◇ Be consistent— _____

A Final Thought

Sacrifice has a cost...

Contribute to the needs of others— _____

Show hospitality— _____

Sacrifice is a less than popular topic. We live in an age of instant gratification and self-advancement. Yet the life of a person who declares Jesus to be their Lord and Savior must exhibit sacrifice. Paul declared it to be a means of spiritual worship, as rational beings we submit our lives to Jesus every day. As we are transformed, as we serve, and as we love we become able to sacrifice. Paul appealed to us to do this, he made it seem urgent and necessary. How do we see it?

The love of Christ was demonstrated through suffering, and those who experience that love can never put it into practice without some cost.
