

Share This: The Gospel

2 Corinthians 2:14-17

As we continue into 2018, I want us to focus on three things; doing good, being generous, and being ready to share. One thing that we must be ready to share with others is the gospel—the Good News of salvation through faith in Jesus Christ. The question becomes, how do we do it?

God’s Parade

It is one of triumph!

Who’s in this parade?

- Conquered foes—

- Victorious army—

God’s Aroma

It is meant to be experienced!

We are meant to be the “aroma” that spreads:

- Wherever we go—

- Knowledge—

Our Sincerity

This is what the world needs!

We can’t do this in our own power:

- Sincerity—

- Publicly—

- Powerfully—

Conclusion

Sharing the gospel isn’t optional...

This is true life and death...

Are we bringing the _____?

The key element in sharing the gospel isn’t theological knowledge. It is spending enough time with Christ so that His aroma clings to us. It is spending enough time connected to Him that wherever we go, enough of Jesus goes with us that others notice. We don’t have to be great speakers or filled with miraculous signs—we just need to carry the right fragrance.

A loving Personality dominates the Bible, walking among the trees of the garden and breathing fragrance over every scene. Always a living Person is present, speaking, pleading, loving, working, and manifesting Himself whenever and wherever His people have the receptivity necessary to receive the manifestation.
