Mission Impossible—Sharing the Truth

Romans 1:16

The final part of our vision statement says that we will help one another share the truth of salvation through knowing Jesus. This is probably the biggest challenge we face, as almost 3/4 of the church in America has **never** shared their faith with anyone. What does it mean to share the truth of salvation?

Sharing

You can only share what you possess...

No matter how much I need or want something—

You will only share when:

- You have
- You have enough
- You consider what you have

Truth

What you share matters...

The lie we want to believe:

- People are
- Almost everyone goes to a
- How we get there

The truth we must believe:

- All people are
- God will
- God has provided a

Central Church is a family that works together to help you love God, love others and share the truth of salvation through knowing Jesus.

Salvation!

Our story is salvation!

Sharing our faith is simple:

I was lost—

I was told about the gospel—

Now I am supposed to share the truth—

Conclusion

We either believe in the mission of Central Church or we don't...

If we do—

If we don't—
