Mission Impossible—Loving God

Deuteronomy 6:4-6

Our vision statement lists three main components, the first of which is that we will love God, and help others to do so, as well. The only problem with this is that we tend to have a poor understanding of love (we certainly misuse the word often enough). Added to that is our relationship with God, whom we have never seen.

One God

He is, indeed, unique..

First, He is **our** God—

Second, there is no other God—

One Love

Our relationship is based on love...

Love—

From our heart—

From our soul—

From our might—

One Heart

Only a whole person can love like this...

Remember, what the heart represents—

When God heals your heart—

A Final Thought

It isn't impossible...

However—

Until we each approach this with a whole heart we will miss this part of our vision. It is an individual thing, our relationship with God. Each of us must determine to love God with all of our heart, all of our soul, and all of our might. God has not made this an impossible mission, He stands willing and able to forgive our sins and heal our hearts.

We must take care not to forget this truth. When we do forget, we start losing the love for God that we are commanded to have, and to pass on to our family.

VISION

Central Church is a family that works together to help you love God, love others and share the truth of salvation through knowing Jesus.
