Reality ~ God's Love

1 John 3:1-3

Children of God

A factual event...

Conclusion

God's love requires a response...

God's love is something that is beyond our words to express. So, God didn't use words alone. He sent His Son, and then invites us to experience His love...

Called the children of God!
Called—
More than a title—

You can't go on claiming to be a Christian and not living like one...
Won't be perfect—

See
Something to be experienced...

Cause of some disturbance!
Not everyone is a
They don't

Strive toward—

We are meant to:

Family Responsibilities
Every family has them...

Our life as Christians is our response to God's love. How we live, not as self-righteous people who think they are better than anyone else, but as self-aware people who know they are sinners that have been saved by grace, is a reflection of how we value the love of God for us.

What kind of love:
Literally—

Everyone who thus hopes:
Implied—

We won't be perfect, and shouldn't have a "Must I?" attitude. We should strive to move forward with an "I must!" attitude. Together with the Holy Spirit and one another—we can!

Implied—

Purifies himself:
Purifies—
