A Most Glorious Sight

Luke 2:22-35

When danger is near, the appearance of the means of deliverance from that danger is always something that is welcomed. While we may not always perceive the presence of danger, we are never truly safe. The illusion of safety is easily broken when we are confronted by the reality of danger. When that illusion is shattered, we respond to the appearance of salvation as something that is glorious.

When the Time Came

When is the right time?

Concerning salvation:

- _____
- _____

A Most Glorious Sight

Look for the right things...

Simeon:

- He was righteous—

- He was devout—

- He was a man of faith—

Simeon was looking for Jesus:

- Calls Jesus the Christ—

- Calls Jesus God’s salvation—

Salvation

What we need...

We need saving because we aren’t good enough:

- Simeon was _____
- Simeon was _____
- Simeon needed a _____

What about us?

- All of us are in the same predicament—

- We still need a Savior—

Conclusion

Timing, all about timing...

Simeon saw a little baby boy—

Christmas is salvation through Jesus—

Christmas isn’t lights and presents and trees and snacks. It is the celebration of the birth of Jesus, God’s provision for our salvation. When we celebrate Christmas, we are celebrating what God has done for us. What better way to celebrate than to accept His gift to us!
