The Duty of Man

Ecclesiastes 12:13

What exactly is required of us, in order to live a life that is pleasing to our Creator? It seems like it can be complicated, what with all of the rules that float around from various religions and even the diversity of the Christian denominations. In truth, it isn't all that complicated when we turn to the Bible.

Fear God

An attitude...

Every instance in Scripture of an encounter with God—

Fear—

Keep His Commands

It isn't complicated...

While true that we have free will—

Keep—

Love God

Simple...

Love God—

Love God with every part of your existence—

Desire becomes sin when it fails to include the love of God or men.

FRANCIS SCHAEFFER

Conclusion

What does it look like?

Love _____

Love _____

What we do matters more than what we say—

All of our lives would come into order if we only followed this one rule in our lives—fear God and love God.

To fear God simply means to recognize His rightful place in this entire thing we call life. He is the One who has put all things into motion, having created everything that exists, including each one of us.

To love God means to cherish Him and the relationship we have with Him more than anything else. By extension, we will love people.
