Collision Course ~ Speak Truth

Psalm 119:160

One of the main reasons that society and the gospel are on a course that results in collisions is that our culture has a central flaw—it is based on a lie. All cultures across the globe share this flaw. The flaw is always present because humanity is at the center of culture, and all of us have a problem with lies.

What is truth?

More than an opinion...

Truth—_____

Word—_____

What God has said is true—

Why is it important?

Without truth, what do we have?

No truth:

- _____
- _____
- _____
- _____

Without truth—_____

How can we speak truth?

We speak what we know...

To speak truth:

- _____
- _____
- _____

To speak truth—_____

Conclusion

There can be only one...

Whenever a lie is added to the truth—

Truth requires proper _____, proper _____, and proper _____.

What we say matters, and we must work to make sure that what we say to those around us is truth clothed in love.

It takes work, it takes time, and it takes a willingness to let the Lord work in and through us.
