Heart for the Cross

John 18:1-11

Every journey has an end. A final destination or conclusion. The path taken to get there matters, and so does the conclusion.

The journey to the heart of God leads to one thing, the cross upon which Jesus died. Jesus made sure that the journey would lead to the cross, His heart was settled upon that destination.

Intentional—

The heart of God is to save His creation, the crown of His creation, us.

This was always His plan. The cross was not an afterthought, it was **the** plan. Our salvation was so important, He loved us so much, that the cross was necessary.

You can know the freedom that comes from knowing Jesus, today. You can put away all the things you have been carrying if you will pick up Jesus. The heart of God has always been settled on you, He loves you!
