Purpose

Not for condemnation...

Conclusion

Nothing in conflict...

Depending on your viewpoint the law can be something good, or something to be feared. No, I'm not talking about our legal system! I am talking about God's law. At some point, God's law and the gospel come to an intersection.

Just—

Lawless—

Ungodly—

The law is good—

The gospel is the answer—

Law

Laws are good...

Unholy—

Gospel

This is the goal...

Law—

Good—

Lawfully—

Gospel—

The gospel is _____
The gospel is what is

Legalism is never the answer, and it is an improper use of God's law. Using the law as a weapon against a person who needs Jesus is also wrong. Relying upon our attempts to keep the law in order to earn God's favor is a certain path to being wrong.

Yes, we are called to be obey. However, it is not our obedience that allows us to stand before a holy God and seek His favor. It is the blood of Jesus that was shed on our behalf that allows us to stand before a holy God and be seen as righteous. Don't rely on your attempts to be "good" enough.
