The Right Answer

God tells us:

- We are _____
- We are _____
- Every day of my life _____

What label do you wear?

Labels are never going to go away. The labels we carry can be helpful to identify us and to connect us to others. Many of those labels are good for us.

Psychologists tell us that negative labels, however, are extremely harmful. They are often connected to personal trauma, and when not properly processed, the label that is associated with that trauma follows us into every aspect of our life; every job, and every relationship.

One way to combat the false labels we carry is to let God speak into the reality of our life. As we looked at the label today—worthless—we saw how the world feeds into this with lies, and how God tells us the truth. Listen to the voice of truth!

The Question

What is man?

The question is not meant to:

- _____
- _____
- _____

Conclusion

What is man?

If Almighty God loves us—

We are His _____!

Romans 5:6-8 (ESV)

6 For while we were still weak, at the right time Christ died for the ungodly. 7 For one will scarcely die for a righteous person—though perhaps for a good person one would dare even to die— 8 but God shows his love for us in that while we were still sinners, Christ died for us.

The World's Answer

The world says:

- Human life is _____

The world acts:

- Human life is _____
