Keeping Hope Alive

Feeding the Right Fire ~ 1 John 1:8-9

We saw last week that only Jesus can provide a true source of hope for our lives. However, that source cannot be thought of as a one-time infusion. It will take some effort on our part to keep hope alive.

What We Need

After self-awareness:

- * Confession—

- * The hard part—

Confession and

What Then?

A second, needed step:

- * Forsake—

Will you _____,
and _____?

Conclusion

If we confess, we experience:

- * His _____
- * His _____
- * His _____
- * His _____

This will _____,
_____...

Whenever we deal with something as personal as sin, it can be very uncomfortable. We might feel like everyone is looking at us.

Rather than worrying about who might be looking at you, try this: focus on how close to Jesus you are today. Focus on **your** own relationship, without letting what others might think about you cause you concern. It doesn't matter what others think, it only matters what Jesus knows.

Who We Are

How we see ourselves:

- * I'm a

- * I'm a

Not the _____,
but not nearly
