Unorthodox Places

John 4:1-6

It is an easy trap to fall into, thinking that God only works in some places. Often it seems that Christians seem to think or act like God only works in church. Yet when we look at Jesus, we see Him working in some very unorthodox places.

A Hated People

Centuries of Distrust

Jesus proved you only have to win one person to change an entire community.

Remember, Jesus told us that one place where we would be witnesses was Samaria, an unexpected place, an unorthodox place.

Conclusion

What if we started thinking:

- God could work in _____
- God could work in _____
- God could work in _____

God can work

The reality is that God is NOT limited by location. There is no place where God is excluded!

One of my favorite passages in Scripture is Psalm 139:9-10:

9 If I take the wings of the morning and dwell in the uttermost parts of the sea, 10 even there your hand shall lead me, and your right hand shall hold me.
