**Unorthodox Love**

1 John 3:1

I wonder how many people are familiar with the verse that tells us that God is love. Probably quite a few, yet if their perception of love is flawed then so is their perception of God. I wonder how many Christians have a flawed idea or two about God and His love.

The unorthodox love of God is something I don't think we will ever truly appreciate on this side of eternity. Humans are finite beings, trying to comprehend an infinite Being. God's love for us has been expressed most profoundly in the Person of Jesus Christ. His coming as a human and dying on a cross to pay for our sins so that we might become God's children is so lavish, so undeserved; it's unorthodox!
