More Than a Savior

John 17:1-3

In the Creation account in Genesis there is only one time that God declares something to not be good, and it deals with the man being alone. Loneliness is still one of the biggest issues we all face, and the solution comes from one source, Jesus.

Our Old Position

One of isolation...

Our sins:

- _____
- _____
- _____

No matter how many _____

Conclusion

The only question is how?

Accept _____

Believe _____

Confess _____

The Glory of Jesus

The hour has come...

Jesus:

- _____
- Not guilty—

- Dying on the cross—

The resurrection _____

Our New Position

After the resurrection...

Jesus:

- _____
- Defines eternal life—

Know— _____

An answer to _____

The resurrection of Jesus Christ is the final seal of approval on the means God has provided to allow our sins to be forgiven, and for our relationship with Him to be restored.

Loneliness and emptiness are symptoms of the brokenness we all suffer from because of our sins. We were designed to have a relationship with God. Sin forces a separation from God that only Jesus can repair. There is no better time than today to repair what has been broken.
