**Faith & Prayer**

Hebrews 11:1

Over the past couple of weeks we have looked at two elements of a healthy church body, the need to do the work of an evangelist, and the need to serve. This week we look at one more another element, prayer, and how it is connected to faith.

**A Faithless Group**

Faithless—

Symptoms of failing to trust:

- \_\_\_\_\_

**A Twisted Group**

Twisted—

Something is missing...

**Behind the Scenes**

Lack of faith—

Lack of prayer—

**Conclusion**

How much faith does it take?

Like a mustard seed—

What happened with the disciples? Somehow they had come to neglect their own prayer life. Even though they were doing what Jesus had commanded them to do, even though they were serving the people of Israel, they had neglected the key to their own spiritual health. As a result, their ministry suddenly faltered. They were unable to accomplish what they had previously been able to do.

What happens to us when we allow our faith to slip, our prayer life to become stale? The exact same thing as what we see in this passage of Scripture. We become unable to do even the things we used to do.

The disciples had become complacent, they had allowed their own spiritual walk to falter, and it affected their ministry. It will do the same to us, if we allow it to happen.

*Faith is to prayer what the feather is to the arrow; without it prayer will not hit the mark.*
