Our Brother

Romans 8:14-17

In this final message in our series, *More Than a Savior*, we are going to look at one more aspect of our relationship with Jesus. He is not only our Savior, the One who has revealed God to us, and our friend, He is also our Brother.

Adoption

Our old family—

Our new family—

Not just life—

Conclusion

So many people

Fear is not _____!

Our older Brother is Jesus—

Sons of God

As with all adoptions—

Adoption only works—

One condition—

Heirs

Not just children—

Not just heirs—

In other words—

I know our world seems to be sinking deeper into chaos at every turn. However, this is not something that is unexpected. We have been told in Scripture that this is how the world will go. The more we point to Jesus, the more the world will hate us. The more the world hates us, and our message of faith in Jesus, the more chaotic the world will seem. The answer for you and I is to keep the faith, keep our hope alive in Jesus, and continue to become the type of disciples that will make disciples of others.

Even supposing you receive baptism, yet if you are not minded to be "led by the Spirit" afterwards, you lose the dignity bestowed upon you, and the pre-eminence of your adoption.
