In the Fight ~ Be Faithful

Ephesians 6:16

We look this week at a piece of armor that isn't worn—it is carried. The shield was a piece of armor that would never be left behind when going into a battle. In our lives, our faith is the shield that enables us to withstand the attacks of our enemy.

The Shield

Large & sturdy—

Our shield is not wood—

Faith trusts in:

- ◆ _____
- ◆ _____
- ◆ _____

In All Circumstances

The message is clear—

We have a choice—

The Attack

Flaming darts—

Three general attacks:

- ◆ _____
- ◆ _____
- ◆ _____

Conclusion

Escaping temptation—

Handling trials—

Accepting slander—

Will you trust God's _____?

Ephesians 6:16 (ESV)

In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one...

If you go back to the message in this series about the belt (truth) you will find that a statement was made—truth is the foundation of our faith. If what you sincerely believe is founded on truth, not just on wishes, then what you believe is something you should be able to trust.

It is our faith in the Lord that allows us to stand in the face of the attacks of our enemy, regardless of the form of those attacks.

However, just like a shield can be set aside and left unused, so can our faith be set aside. When we begin to lose our grip on our faith we become an easy target for the enemy. His attempts to draw us away through temptations will become more successful. His attacks of trials will drive a wedge between us and our Lord. His use of slander against our reputations will begin to penetrate into the rest of our armor, weakening us still further.

However, if we keep a firm grip on our faith, Paul tells us that the attacks of the enemy will not succeed. **All** of his attacks can be extinguished, by properly using the shield of faith. By taking it up, no matter the circumstances, by holding it tightly, and trusting in God's plans, promises, and provision.
