On The March ~ Kindness

Galatians 5:22

With my last name I often get asked if I am kinder. I never gave it much thought, but to be honest I know I certainly should be kinder. Kindness is one of those qualities that we underestimate. It is not highly regarded among many leaders. However, for all who claim to know Jesus, kindness is not an option.

Kindness Defined

Kindness isn't—

Kindness—

Inner Context of Kindness

Kindness is a _____
Kindness is seeking _____

Kindness is always _____

Outward Context of Kindness

Kindness is _____

Kindness is _____

Kindness is _____

Conclusion

It's God's _____

Our kindness to each other _____
Our kindness to the lost _____

Kindness could be used as a summary statement of the last six of the Ten Commandments. If we would just be kind to one another, I'm not sure we would really need those commandments.

When we choose to let the Spirit of God lead us, when we march in step with Him, then we can show true kindness to those around us.
