On The March ~ Goodness

Galatians 5:22-23

Goodness is a difficult term to dissect and understand. I think one reason is that we all tend to have our own, individual, and also highly objective, view of what good means. We need to look closely at God’s goodness to understand this properly.

God’s Goodness

Goodness— _____

God _____

By: _____

By: _____

Conclusion

Goodness— _____

Goodness— _____

Goodness— _____

While we may debate what goodness is, we should not debate that we are meant to exhibit God’s goodness in our lives as a result of walking with His Spirit. We cannot use the excuse of, “That just isn’t me.” It may not have been before coming to faith in Jesus, but it must be afterward. If not, you’re out of step. Our challenge is to hear the voice of the Spirit of God, and allow Him to direct us as we bear the fruit that the world needs to see, as we are on the march!

Goodness Defined

Goodness is not _____

Goodness is that which _____

It is _____

Our Goodness

Where does our goodness come from?

Goodness— _____

It comes from _____

It comes from _____
