The Holiness of God

Proverbs 9:10

This week we look at, perhaps, the most challenging of God’s attributes; holiness. It is challenging because God’s holiness is what we are not.

The Holiness of the Lord

The vision of Isaiah –

Holy – _____

The cleanest thing we can produce _____

The Fear of the Lord

We often ignore _____

When confronted – _____

When confronted by His holiness – _____

Holiness and the Sinner

There is a need for _____

God will not align _____

The fire of God’s holiness _____

Conclusion

We will not come to the Lord _____

We must drop _____

God has made a way – _____

Holiness, the all-consuming perfection of God’s character and morality is something so difficult for us to understand as all of our world is tainted by sin and the effects of sin. Every aspect of our world is impure, and that is what makes God’s absolute purity so hard to face by sinners. Jesus is the only answer...
