The Love of God

1 John4:7-9

A sermon on God’s love is like traveling to every nation on earth and taking five minutes to describe the trip. So the best we can do is try to open all of our eyes just a bit more to God’s amazing love for us.

God’s Love

God is love —

God is love —

God is love —

If we know God’s love —

If we know God’s love —

God’s Emotion

God’s love means He

When God thinks about us —

When we are rooted & grounded in God’s love —

_____?

To know God’s love we must know Jesus —

If we sincerely have our faith in Jesus then we of all people should have nothing in this world to fear. We should have peace as a constant state of being, and we should exhibit God’s love for one another. We should even love those who are our enemies.

If we have fear, worry, or hatred for someone as part of our life then perhaps we need to check our faith?
