Advent ~ The Hope We Need

Luke 1:68-79

If we desire to offer hope to others we need to define hope, understand the source, and claim it for our own. Until we do those things, we won't be able to help anyone else.

Hope Defined

Hope –

• Looks forward –

• Looks confidently –

• Looks for good –

The Source of Hope

To whom do we _____?

Who is the _____?

Who can _____?

Hope for Today

Suffering is to be done _____

By rejoicing we _____

Endurance allows _____

Conclusion

Hope looks forward – _____

Hope is confident – _____

Hope is focused _____

The answer is not to give up hope! The world says to do that, when the fight is beyond our capability of winning. However, we don't rely upon our strength, our understanding, or our ability. We must put our faith in Jesus Christ alone for all of those things, and trust that He will win the battles on our behalf. Don't lose hope, go deeper with Jesus!
