2023 In Review

Numbers 33:1-2

Looking back can, at times, be beneficial. Even in matters of faith it is sometimes important to see where we've been as we move forward.

A Spiritual Beginning

Experiencing God –

Called to repentance –

Working Hard

Summer outreach –

Seeing our community –

Reflection

Allow God's grace to strengthen us –

Focusing on the Gospel –

Conclusion

One simple commitment –

It has been a year filled with challenges and triumphs. The year that is behind us is important to guide us into the future. Just as Moses used the various stages of the journey of Israel to inform the people of the future that was lying before them.

Let us face the future together, united, and determined to focus on God's grace and the Good News of Jesus Christ!
