Bad News, Good News

Isaiah 52:7

We have probably all experienced the situation; being told that someone has bad news and good news to deliver. Most of the time, I want the bad news first, so that I can experience the good news to offset the bad! Well, that is where we find ourselves.

First, the Bad News

There is bad news –

- _____
- _____
- _____
- _____

Now, the Good News

There is good news –

- _____
- From the Old Testament to the New Testament – _____
- God sent His Son – _____

Sharing the Good News

There is something beautiful about sharing Good News

- There is _____
- There is _____
- There is _____

Conclusion

Adoption into

- _____
- Obtained by _____
- _____
- To be _____
- _____

Yes, there is bad news, but we also have the good news that has the power to override the bad news. Instead of only telling someone about the worst news ever, we get to share the best news ever! It is the family business, after all, and as part of the family it is our business, as well!
